At the start (January 2021)

Work in progress

We were able to update two rooms at Bosco Sevana, creating a learning hub

and a lounge for the children to meet visitors or hang out.

A smart screen is now being used by these children to continue their online learning during the pandemic.

More donations were received by Bosco Sevana arranged by good friends,

Holy Cross Children's home at Marawila has 20 children. They received a projector and arts, and crafts supplies in addition to story books to refresh their library at Marawila. We hope they will be inspired to learn through these books.

Donation of books for children aged below 10years were made for differently abled children attending the Ayathi center at Ragama.

Plans are underway to donate a library to a temple in the Anuradhapura district to assist in the development of children in more rural communities. We hope you would continue to support us.
